ISO 14021 DECLARATION

Company

Founded in 1961 in Casalgrande, Ceramiche Supergres started its business with the production of double-fired and cottoforte tiles for floors and walls. From the initial small company made up by the founders and local workers, the company grew, together with Sassuolo industrial district, and expanded to develop a presence in numerous markets across the world. In 1996, the company was acquired by the Gruppo Concorde. Since then, Supergres has continued to grow and today the company exports its products to more than 50 countries in the world and has a strong reputation as one of the most established ceramic brands at a global level.
