GREENWICH

Pamesa's Greenwich is a classic wood-look porcelain that will bring effortless elegance to any installation. The high quality and beauty of the series, combined with the competitive price, make this 8 x 48 plank a true value.

Argent (PAGHAT)

Cenere (PAGHCE)

Cherry (PAGHCY)

Taupe (PAGHTE)

Colors are intended as a guide only and may vary from actual tile. Sizes listed are nominal. Please check samples before making final selection and to get actual dimensions for layout. See reverse side for additional product information.

COLORS

Argent	PAGHAT (White/Grey)
Cenere	PAGHCE (Light Taupe)
Cherry	PAGHCY
Taupe	PAGHTE (Medium Taupe)

SIZE - Rectified

8 X 48	PAGH--/848

INSTALLATION INFORMATION

Before installing the tile you should:

- Ensure the perfect planarity (flatness) of underlying floor base.
- Always double-check the quality of the tiles.
- When setting, tile should be only slightly staggered so that the ends of the tiles are within 8” or less from the ends of the corresponding staggered tile. (See figures 1 & 2)
- Staggered spacing does not need to be uniform, but should not exceed 8” recommendation.
- A minimum joint of 2 or 3 mm between tiles is recommended.
- It is preferable to use a grouting material that matches the color of the tiles.
- We recommend using a tile leveling system to install this product.

As with all inkjet lines, there are many different graphics that are mixed and packed randomly. It is important to pull from multiple boxes during installation, rotate pieces and note the placement of the different images in order to get the proper final blend.

USAGE

Greenwich is suitable for residential and moderate commercial use.

Physical Properties	Norms	Value
Average Bending Strength	10545-04	45,5 N/mm2 (average value)
Breaking Strength	10545-04	Compliant
Water Absorption	10545-03	≤ 0,05
Frost Resistance	10545-12	No Damage
Slip Resistance	DIN51130	R10
Abrasion Resistance	10545-7	PEI 4
Dynamic Coefficient of Friction	DCOF	Wet ≥ 0.42
