RAEP Arlo Turchese Glossy Struttura Rayé 7x20cm

Arlo

The Arlo collection – in 7.5x20 cm size – comprises 6 natural colors and a three-dimensional structure available in every shade. Along the sides of the Arlo tiles and in tiny parts of their surfaces there are touches of a clay color that give the impression of gaps in the glaze, a distinctive feature of the handmade materials that inspire the series. There is also a very subtle unevenness in the regular edges for a handmade, timeworn look.
